- Managed all social media accounts several times weekly; including Tumblr, Twitter, Instagram, and Facebook to promote The Butcher

SCAD Collaborative Learning Center – Sponsored Course | Savannah, GA

Sept 2014 – Nov 2014

Lexington Foundation, Project Manager

The Collaborative Learning Center enhances the education of SCAD students by providing real-world experiences by partnering them with companies, professors and other students in projects designed to resolve real problems or develop real products for the companies involved.

- Chosen as 1 of 12 students to participate in a SCAD Collaborative Learning Center course project with The Lexington Foundation from Gloversville, NY
- Chosen as the Project Manager to oversee the creation and development of projects for the course by the other 11 students
- SCAD collaborated with the foundation to research and develop an interior design strategy for a college-life facility and experience for high school students with developmental disabilities, who are preparing for an extended education in the arts, and a year-round cultural arts center for use by Lexington Foundation consumers and the public. Additionally, the class developed concepts for a marketing strategy and a strategic plan for additional sources of revenue that can be generated through the arts center for financial stability throughout the next 5 years.

DePauw University | Greencastle, IN

Aug 2013 – May 2014

Arthur E. Klauser Collections and Community Outreach Intern

- Assisted in installing and de-installing over ten exhibitions
- Independently created and executed programs in a K-12 classroom environment
- Assisted in various collections work including physical inventory, updating, and adding records to PastPerfect
